DIRECTOR'S MESSAGE

I take this opportunity to sincerely confirm my utmost support to the vitally significant cause of education, particularly in respect to securing admissions in institutions of your choice and discovering suitable destination(s) that closely match your educational, personal and monetary needs at one of our partner universities.

Our company provides consultancy services including admission processing, student counseling, visa guidance & accommodation for student(s) seeking higher education in the UK, USA & EUROPE. Provision of professional counseling services to prospective students seeking higher education abroad is central to our organization's range of services. To enable us to provide the best of services, we have on our panel some of the best educated people possessing invaluable experience in the field of education counseling.

The fact of the matter is that the moment you step in to ERN's Dubai office, you are in professional hands who stand all prepared to extend to you warm hospitality, and also provide all that you solicit in terms information regarding education abroad. I would like to reiterate, once again, that our primary objective is to provide you top quality professional services and help you, in the best possible manner, find the most appropriate education opportunities in institutions of your liking in the UK, USA and Europe.

I earnestly wish you all the best in your efforts to successfully realize your dream for higher education abroad, and look forward to be of service to you at all times.

Kind Regards,
Omar Mirza
Founder

THE ERN TEAM

Omer is the founder of ERN and holds an (MBA) from Cardiff University as well as a (BBA) from Westminster University, UK. During his time at the British Council, he had various key responsibilities such as Agent training, UK Education Exhibitions, conducting market outreach and developing higher education links. Omer brings first-hand experience and knowledge to his business through his professional and academic experience, which directly translates into accurate and personal counselling to the students his organization serves.

Abdul Hamid is an excellent educational administrator and his competence in managing administrative and financial matters are unquestionably outstanding. He has introduced state-of-the-art university management systems with thoroughly professional and firm operational and financial controls in institutions where he is playing an active role. He also has the distinction of establishing several new educational projects. His outstanding business acumen and professionalism has earned him tremendous appreciation and respect among the business people and the academic world. His ability to execute significant projects of academic and business interests with utmost professionalism and competence has always been profoundly appreciated by all concerned.

Bashaar holds a Post Graduate degree from Middlesex University, UK and has vast experience of the UK & UAE Higher Education market through his previous employments in the International offices of several UK and UAE Universities.

ERN has over a decade experience of successfully placing students to the universities all around the world
